Ancient Greek Medicine and Therapies

Ancient Wisdom for Present-Day Practitioners

Historian of Medicine Dr. Alain Touwaide will guide an Exceptional Journey through Ancient Greek Medicine and Therapies.

This 2-Day Seminar will provide Practitioners Insights to Develop Curative and Preventative Treatments based on Ancient Greek Medicine and Therapies.

The Seminar will be held on 2 Consecutive Saturdays at the MOA Wellness Center, 4533 S Centinela Ave., Los Angeles, CA 90066, Saturday February 13th & 20th, 2016, 2:00pm-6:00pm.

Topics will include:

- Treating Illness: Herbs
- Wellness: Oils, Perfumes, Therapeutic Manipulations and Massages
- Prevention: Eating the Right Food and Living a Healthy Life

Dr. Alain Touwaide is the co-founder and Scientific Director of the Institute for the Preservation of Medical Traditions, and a World-Renown Historian of Ancient Medicine associated with the Smithsonian Institution. He has pioneered cutting-edge research that might change the way of doing science, and has captivated audiences worldwide. He is currently a Visiting Professor at UCLA.
